

Committee of Experts on Global Geospatial Information Management

Eleventh session

New York, 23, 24 and 27 August 2021

Item 10 of the agenda

Geospatial information and services for disasters (for discussion and decision)

<i>Statement provided by:</i> Africa Regional Committee of the United Nations Committee of Experts on Global Geospatial Information (UN-GGIM: Africa).	
<i>Statement:</i>	
<ol style="list-style-type: none">1. UN-GGIM: Africa takes note of the report and work carried out by the Working Group and supports the continued efforts to implement the Strategic Framework on Geospatial Information and Services for Disasters.2. The Africa region further supports the Working Group's Work Plan 2020-2023, that will guide the activities and operations of the Group.3. The Regional Committee renew its commitment to contribute to the fostering of inclusive dialogue, raising of awareness and encouraging its Member States to become members of the Working Group and actively contribute to the mandate of expanding the use of geospatial information and services for disaster response initiatives.
