

**Committee of Experts on Global Geospatial  
Information Management**

**Eleventh session**

New York, 23, 24 and 27 August 2021

Item 10 of the agenda

**Geospatial information and services for disasters  
(for discussion and decision)**

<i>Statement provided by:</i> World Geospatial Industry Council (WGIC)	
<i>Statement:</i> The World Geospatial Industry Council (WGIC) congratulates the Working Group on Geospatial Information and Services for Disasters for the work already achieved in this important area, and for a comprehensive Workplan prepared for the current period. The WGIC has disaster resilience as one of its strategic focuses, and wishes to engage with and contribute to the work the Working Group.
