

## **Committee of Experts on Global Geospatial Information Management**

### **Eleventh session**

New York, 23, 24 and 27 August 2021

Item 3 of the agenda

### **Strengthening of geospatial information management (for discussion and decision)**

<i>Statement provided by:</i> World Geospatial Industry Council (WGIC)	
<i>Statement:</i> The World Geospatial Industry Council (WGIC) acknowledges and extends its appreciation to the Committee of Experts, the member states and the UN-GGIM Secretariat for the extensive progress made in strengthening geospatial information management globally. The WGIC commits to continue its support of the work of the Committee of Experts, in particular, by using its membership mechanisms to extend the reach of the geospatial ecosystem to the related ecosystems, thereby increasing the intersect with those ecosystems. In this way, it is intended to increase geospatial awareness, and the utilisation of geospatial information, for the benefit of all.
