

Committee of Experts on Global Geospatial Information Management

Eleventh session

New York, 23, 24 and 27 August 2021

Item 12 of the agenda

Legal and policy frameworks, including issues related to authoritative data
(for discussion and decision)

<i>Statement provided by:</i> Sweden	
<i>Statement:</i> <u>Oral statement from Sweden</u> Sweden welcomes with appreciation the report from the Working Group presented to the Committee, and strongly appreciates the efforts in developing a policy and legal resource kit. We believe this will support Member States to implement the IGIF and improve data sharing and exchange. We are honored to have been entrusted the leadership of the Working Group for two terms, and welcome Australia as co-chair. We also welcome and support Canada in taking on a greater leadership role in the upcoming year.	
Submitted on:	Orally delivered at the 2 nd meeting on 24 August 2021
