

## **Committee of Experts on Global Geospatial Information Management**

### **Eleventh session**

New York, 23, 24 and 27 August 2021

Item 14 of the agenda

### **Collaboration with the United Nations Group of Experts on Geographical Names (for discussion and decision)**

<i>Statement provided by:</i> Argentina Republic	
<i>Statement:</i> Argentina takes note and welcomes the report developed by the United Nations Group of Experts on Geographical Names (UNGEGN) and reaffirms the importance of a stronger relationship between the Committee and the Group of Experts.  Argentina, as a member of the Group of Experts, participated in the 2nd session and agrees that it is necessary to revitalize its Divisions and establish a Trust Fund to support the implementation of its Strategic Plan and Programme of Work 2021-2029, with special emphasis on capacity building across Member States.  Argentina congratulates and highlights the work being carried out by the group to support the efficient management of geographic names data and highlights the importance of innovation methodological and technological to develop databases of geographic names national, web services and embedded applications for a variety of purposes.
