

Committee of Experts on Global Geospatial Information Management

Eleventh session

New York, 23, 24 and 27 August 2021

Item 11 of the agenda

Marine geospatial information (for discussion and decision)

<i>Statement provided by:</i> Canada	
<i>Statement:</i> Canada commends the efforts of the Working Group on Marine Geospatial Information, which it is pleased to be actively involved in, and supports the Working Group's 2021-2022 Work Plan. Canada supports the Working Group's efforts to leverage the Integrated Geospatial Information Framework to develop the IGIF-Hydro for effective and integrated marine geospatial information management, which Canada continues to support. Canada thanks Burkina Faso for its leadership of the Working Group and welcomes Singapore as the new co-Chair.
