

# Committee of Experts on Global Geospatial Information Management

Eleventh session

New York, 23, 24 and 27 August 2021

Item 12 of the agenda

**Legal and policy frameworks, including issues related to authoritative data  
(for discussion and decision)**

<i>Statement provided by:</i> Canada	
<i>Statement:</i> <b>Canada commends the Working Group on Policy and Legal Frameworks for Geospatial Information Management for its efforts to develop resource materials for the policy and legal resource kit. We see these as foundational guides for IGIF implementation and the development of appropriate national-level legal and policy frameworks.</b>  <b>Canada would like to acknowledge the strong leadership of the Working Group Co-Chairs, Sweden and Australia, and looks forward to taking on a greater leadership role in the upcoming year.</b>
