

Committee of Experts on Global Geospatial Information Management

Eleventh session

New York, 23, 24 and 27 August 2021

Item 5 of the agenda

Integrated Geospatial Information Framework (for discussion and decision)

<i>Statement provided by:</i> Fiji	
<i>Statement:</i> As one of the six countries that is a part of the United Nations Development Account 11th tranche Project 1819D that is working to improving and strengthening nationally integrated geospatial information management arrangements and capacities, Fiji recognizes the importance of the Integrated Geospatial Information Framework (IGIF) to support and advance global, regional and national development goals, and acknowledges the activities and progress of the HLG-IGIF since its establishment. Fiji notes the effort on the finalization and maintenance of the IGIF and its Implementation Guide by the HLG-IGIF on behalf of the Committee and supports this undertaking. Fiji also endorses the HLG-IGIF Strategic Plan and the work needed to realize the six Strategic Goals of the HLG-IGIF that pertain to the implementation and sustainability of the IGIF at the country level.
