

**Committee of Experts on Global Geospatial
Information Management**

Eleventh session

New York, 23, 24 and 27 August 2021

Item 6 of the agenda

**Global geodetic reference frame
(for discussion and decision)**

<i>Statement provided by:</i> Finland	
<i>Statement:</i> Finland supports the statement by the International Association of Geodesy (IAG). Acknowledging the importance of the long-term commitment of the IAG components and especially the core network, Finland is looking forward contributing in development outlined in the Global Geodesy Development Plan (GGDP).
