New York, 23, 24 and 27 August 2021

Item 7 of the agenda

**Geospatial information for sustainable development  
(for discussion and decision)**

<i>Statement provided by:</i> UN-GGIM: Arab States	
<i>Statement:</i>	
<p>UNGGIM-Arab States commends the effort that has been taken on the report by the Secretariat and the working group on geospatial information of the Inter-Agency and Expert Group on Sustainable Development Goal Indicators. It also acknowledges the importance of collaboration between its members, and how this is crucial for geospatial information sustainability, and stresses the importance of policies in data sharing and geospatial information.</p> <p>UNGGIM-Arab States appreciates the work of the Secretariat on its capacity and capability development activities, collaborating with the Regional Committees and groups within the Committee of Experts, regional commissions, and technical partners.</p>
