

# Committee of Experts on Global Geospatial Information Management

## Eleventh session

New York, 23, 24 and 27 August 2021

Item 8 of the agenda

### Integration of geospatial, statistical and other related information (for discussion and decision)

<i>Statement provided by:</i> Philippines	
<i>Statement:</i>  The Philippines takes note of the Expert Group's report and its progress in undertaking its activities.  The Philippines, through its national mapping agency, continues to advocate and urge government agencies to integrate geospatial, statistical and other related information. In the light of the current pandemic and in collaboration with the health department, initiated the inclusion of geospatial dimension in the treatment of COVID-19 data.  The Philippines considers the GSGF Implementation Guide and compilation of national and regional experiences in implementing GSGF as excellent resources to encourage MS to pursue alignment with the GSGF.
