

**Committee of Experts on Global Geospatial  
Information Management**

**Eleventh session**

New York, 23, 24 and 27 August 2021

Item 9 of the agenda

**Application of geospatial information related to land administration and management  
(for discussion and decision)**

<i>Statement provided by:</i> UN-GGIM: Arab States	
<i>Statement:</i> UNGGIM-Arab States acknowledges the efforts of the Expert Group of Land Administration and Management, for developing and finalizing the Framework for Effective Land Administration.  The importance of the Framework for Effective Land Administration was acknowledged by referring to it during the 8th plenary meeting of the UN-GGIM Arab States, held Virtually in February 2020 to encourage all member countries to raise awareness about (FELA).  UNGGIM-Arab States appreciates the efforts of the Kingdom of Saudi Arabia, for translating the Framework for Effective Land Administration to Arabic.
