

Committee of Experts on Global Geospatial Information Management

Eleventh session

New York, 23, 24 and 27 August 2021

Item 9 of the agenda

Application of geospatial information related to land administration and management (for discussion and decision)

<i>Statement provided by:</i> Ireland, Head of Delegation Colin Bray, Chief Executive Officer at Ordnance Survey Ireland	
<i>Statement:</i> Ireland welcomes the report by the Expert Group on Land Administration and Management noting the work carried out during the past twelve months including its updated work plan for the period 2020 – 2022. Ireland also notes the intention of the Expert Group to continue with its online meetings in the upcoming period and supports the plan to convene a formal meeting, together with an international seminar on effective land administration, when global conditions permit.
