

## **Committee of Experts on Global Geospatial Information Management**

### **Eleventh session**

New York, 23, 24 and 27 August 2021

Item 9 of the agenda

### **Application of geospatial information related to land administration and management (for discussion and decision)**

<i>Statement provided by:</i> Philippines	
<i>Statement:</i> <p>The Philippines takes note of the present report and work undertaken by the Expert Group on Land Administration and Management during the intersessional period and its work plan for 2020-2022.</p> <p>The Philippines appreciates the Expert Group's initiative to improve advocacy and raise awareness on the Framework for Effective Land Administration in considering having it translated into languages other than Arabic, Chinese, and Spanish. The Philippines also welcomes the Expert Group's initial considerations on operationalizing the FELA at the country level.</p> <p>The Philippines also takes note of the Expert Group's intent to convene a formal meeting and international seminar when the conditions permit.</p>
