

## **Committee of Experts on Global Geospatial Information Management**

### **Eleventh session**

New York, 23, 24 and 27 August 2021

Item 7 of the agenda

### **Geospatial information for sustainable development (for discussion and decision)**

<i>Statement provided by:</i> South Africa	
<i>Statement:</i> South Africa welcomes the report prepared by the Secretariat and the Working Group on geospatial information of the Inter-Agency and Expert Group on Sustainable Development Goal Indicators.  In support of the implementation of the 2030 Agenda for Sustainable Development, Africa 2063 and the National Development Plan, Vision 2030, South Africa has initiated a project to develop a Soil Information Policy and the delineation of the high potential agricultural land to support natural resource management within the context of an agro-ecosystem approach.
