### FEBRUARY 2021

HLG-IGIF formed, and work began on Strategic Plan and Plan of Work

### The Mission

# The High-Level Group of the Integrated Geospatial Information Framework (HLG-IGIF) aims to:

- **Provide the strategic leadership, promotion, coordination, planning and oversight** to successfully sustain the uptake and implementation of the IGIF
- Explicitly demonstrate the societal value and impact of the IGIF, and associated progress towards enabling the achievement of the SDGs
- Provide expertise and advice to assist countries in their implementation of the IGIF at the country level
- Mobilize needed resources for implementation and to maintain the momentum and evolving refinement of the IGIF with Member States and other key stakeholders.

# **Prioritized Strategic Goals**

## Strategic Goal 1:

**Improve Communication** 

### **Focus Actions:**

- Develop and implement a communication strategy.
- ii. Create awareness on the importance and relevance of the IGIF for policy and decision-makers as well as for other key stakeholders normally outside the geospatial community.
- iii. Identify inclusive communication channels for the IGIF.
- iv. Initiate IGIF forums at the global and regional levels for creating awareness and realizing the benefits from implementation of the IGIF and other relevant frameworks, such as the Global Statistical Geospatial Framework (GSGF) and the Framework for Effective Land Administration (FELA).
- v. Convene consultative meetings on the implementation and operationalization of the IGIF.
- vi. Share and communicate the IGIF in relevant forums as a key umbrella for the many activities under the purview of UN-GGIM.

### **Strategic Goal 3:**

**Strengthen Capacity Development** 

### **Focus Actions:**

- Serve as executive champions of the IGIF promoting its broad implementation and use.
- ii. Provide guidance and recommend technical support and capacity development for countries in need, to enable the implementation of the IGIF.
- iii. Assist developing countries to implement the IGIF, particularly those who have little or no geospatial capacity.
- iv. Encourage exchange and sharing of good practices, experiences, successful strategies, and effective implementations of the IGIF.

Development

**Prioritized Strategic Goals** 

### **Strategic Goal 4:**

**Mobilize Sustainable Funding** 

### **Focus Actions:**

- i. Identify sources and mobilize funding to foster and support the implementation of the IGIF.
- ii. Use all available resources from members of the HLG-IGIF where each member assumes some level of responsibility.
- iii. Develop and provide mechanisms to identify funding sources and requirements to support developing countries integrated geospatial information management action plans.
- iv. Mobilize resources for implementation activities and maintain the momentum and evolving refinement of the IGIF with Member States and other relevant stakeholders.

# **Advancing the Plan of Work**

1. Formed Working Groups for each Priority Goal

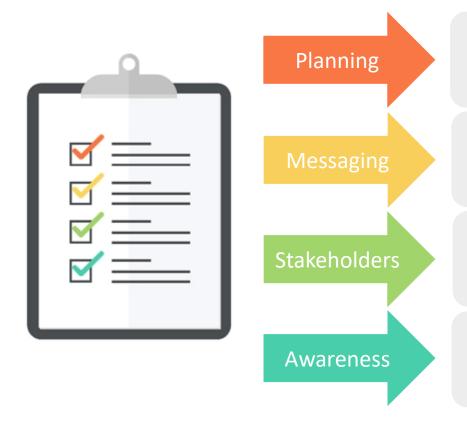

**Current Activities** 

# **Communication Working Group - Current Activities**

- Develop a Communication Strategy
- Develop and implement a Communications Plan
- Develop key messages
- IGIF logo/Tagline/PowerPoint template
- Develop stakeholder analysis form
- Conduct stakeholder analysis to identify stakeholders and appropriate communication channels
- Create awareness for key decision makers
- Collate Case Studies

Capacity Development Working Group - Current Activities

- Identify Member States ready or seeking to operationalize IGIF
- Identify IGIF Champions within Member States
- Finalize consulted and reviewed version of Implementation Guide and translate into the official UN languages
- Develop Criteria for recognition as an IGIF Executive Champion
- Determine how information on lessons learned/best practices from implementation are collected, reviewed and disseminated

Sustainable Funding Working Group - Current Activities

- Initiate brainstorming session with experts in donor funding
- Identify potential sources of funding
- Identify and understand donor driven funding requirements
- Identify specific actions/activities for dedicated funding
- Develop guidelines to estimate investment/budget and cost/benefit analysis
- Identify best way to collect lessons learned and positive impacts of investing in IGIF to attract donor funding

**Progress and Challenges**
