Main Conclusions

- Survey informs about implementation status in each region
- Contrasts between Member States in stages of implementation
- Importance of Regional Committees in UN-IGIF implementation support
- Implementation of UN-IGIF for a variety of purposes beyond the development of a Country-level Action Plan

Moving Forward

- **Survey as support to enhance action plans**

- **Regional Committees are the main support for the implementation**
  - **How are they providing support?**
  - **What are the main support needs?**
  - **What does a global structure to support Member States to implement the UN-IGIF should look like?**
  - **And which is the role of the Regional Committees in that structure?**
