Every community has aspirations for the what they want to become

Those aspirations get translated into actionable, real-world initiatives

Implement Performance Management

Reduce Traffic Congestion

Create More Affordable Housing

Reduce Homelessness

Reduce Air Pollution

Increase Recreation Opportunities

Improve Water Conservation

Increase Access to Healthcare

Create Job Availability

Improve Emergency Response Times

Use Less Energy

Encourage Startups

Improve Earthquake Preparedness

Connecting Everyone – Leave No One Behind

A vibrant banner graphic featuring a stylized city skyline in various colors (yellow, orange, red, pink, blue, teal, green) against a white background. Above the skyline are several colorful icons representing different themes: a folder, a camera, a group of people, a location pin, a Wi-Fi signal, a coffee cup, gears, a calendar with the number 12, a thumbs up, a lightbulb, a magnifying glass, a shopping cart, a bar chart, a sun, and a house. A dark grey banner is overlaid on the city skyline.

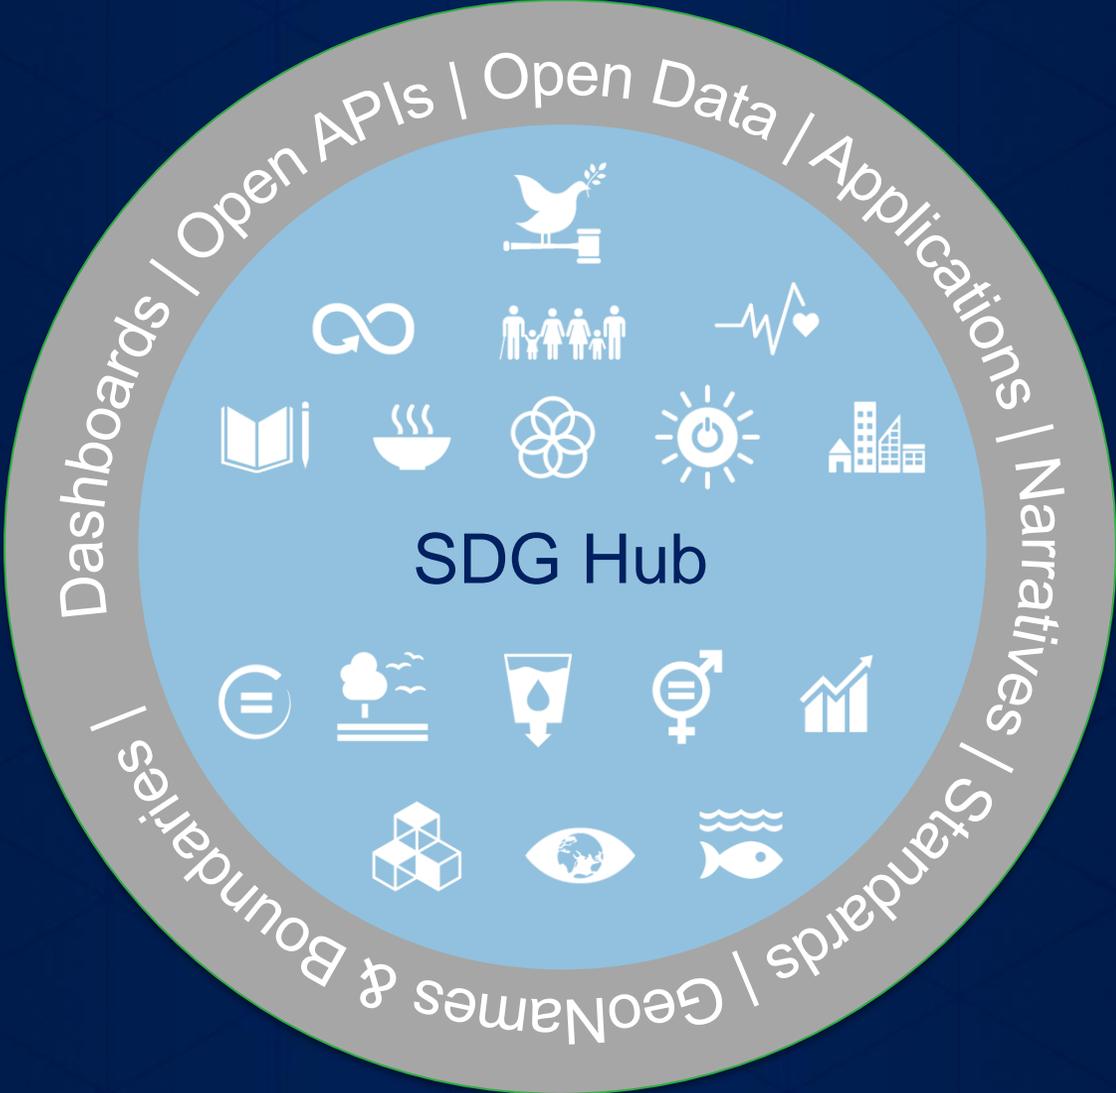

ArcGIS Hub

Transform how you engage and collaborate with your community.

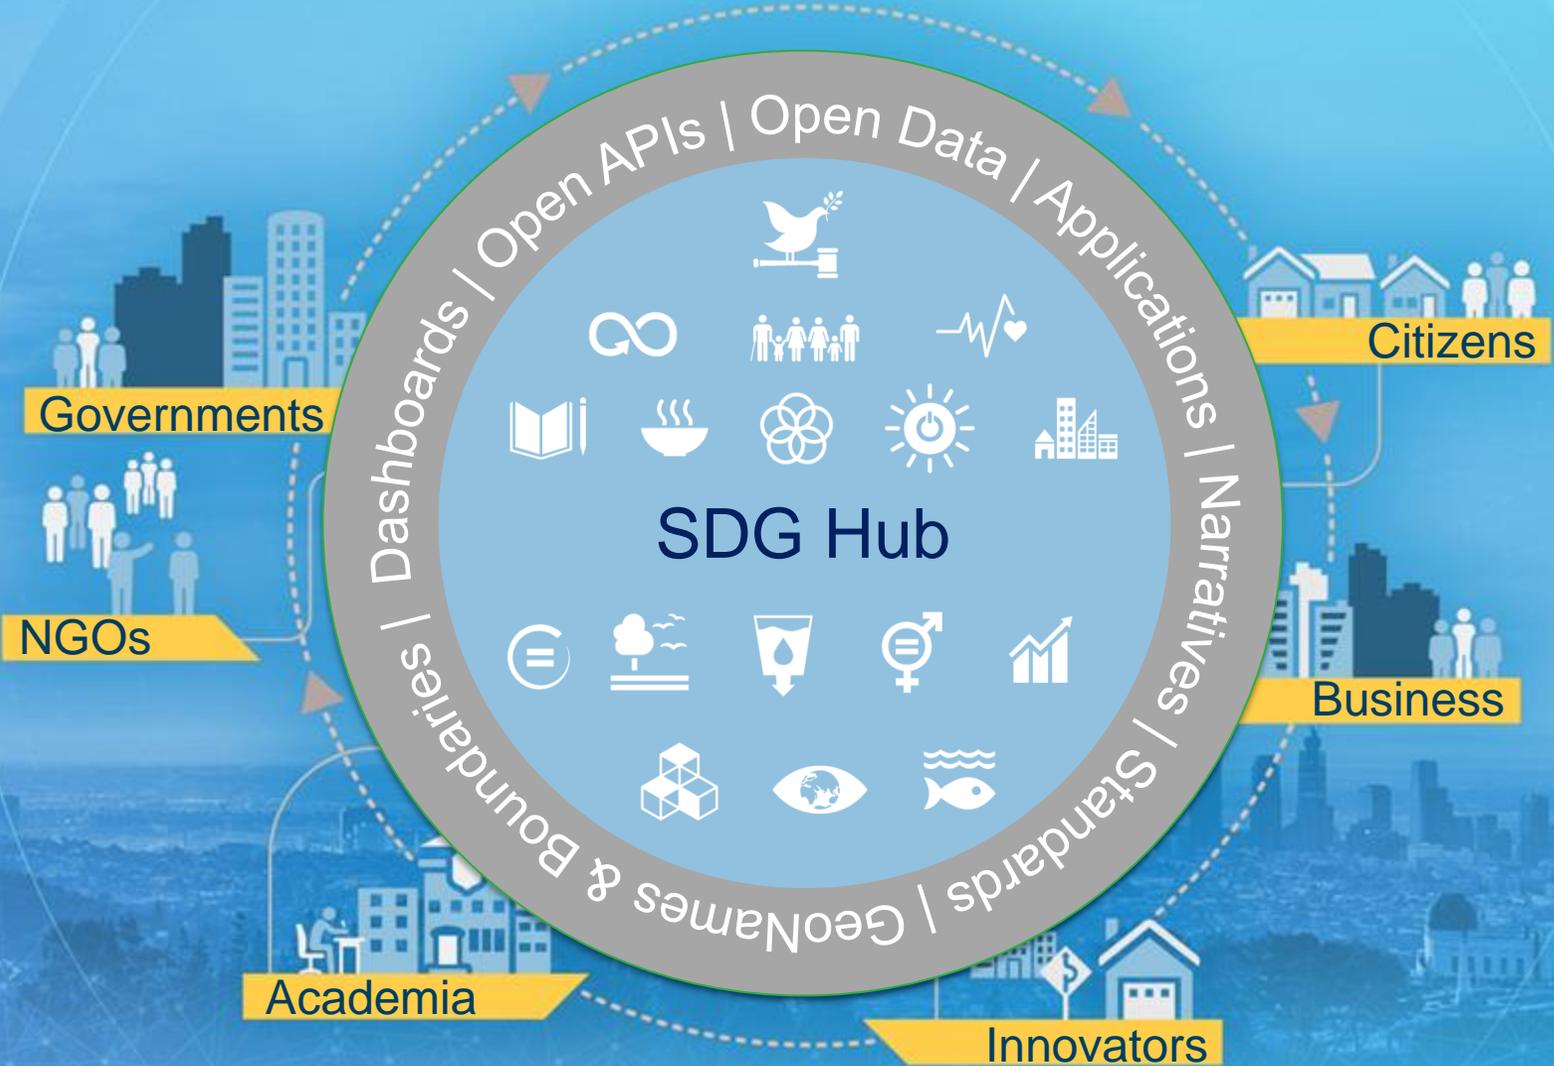

ArcGIS Hub provides a two-way engagement platform to connect government and citizens.
