

**Eighth Session of the Committee of Experts on  
Global Geospatial Information Management**

**Meeting of the  
Working Group on Marine Geospatial Information**

**Wednesday, 1 August 2018**

**2:00 p.m. – 3:00 p.m.**

**Venue: Conference Room 11 (CR-11)**

**United Nations Headquarters, New York**

---

During the eighth session of the Committee of Experts, the Working Group on Marine Geospatial Information will organize a side event on Monday, 30 July 2018 that will improve participants' appreciation for progress in the development of a standard for maritime limits and boundaries that allows for the representation of marine areas and their associated rights, restrictions, and responsibilities in alignment with UNCLOS. In addition, the Working Group will also convene a meeting to review its activities and progress to date including outcomes from the side event, and address matters related to its activities and upcoming events.

This meeting will be open to national delegates to the eighth session of the Committee of Experts to engage the Working Group and gain an appreciation for its objectives, functions and activities.

**Provisional Agenda**

1. Opening Statements by Co-chairs
2. Round of introductions
3. Work plan for 2018 - 2019
4. Review of activities and progress to date
  - Outcome of the side event on Monday, 30 July 2018
  - Proposed first physical meeting of the Working Group, March 2019, Busan, Republic of Korea
5. Wrap-up and close
